WISH YOU Were Beer

THESE PAIRINGS ARE A MATCH
MADE IN BEER-LOVERS' HEAVEN

WRITTEN BY: AZI SAFAVI
PHOTOGRAPHED BY: JOSIE GONZALES

What better way to break up your day than with a cold Mexican beer and delicious meal to pair it with? We rounded up some of our favorite dishes in Southern California and paired them with top-notch beers so you know exactly what to order when you're looking to kick back in the beautiful Cali sun with a Corona or Modelo in hand.

SURF 'N' TURF PAIR WITH: CORONA EXTRA

➔ Duck Dive's popular Surf 'N' Turf plate features a grilled, eight-ounce filet mignon, a charbroiled lobster tail topped with housemade mole negro and served with roasted poblano and corn cilantro rice. The depth and earthy flavors of the mole are complemented by the light, crisp Corona.
