

# 11 Brunch Spots With Bottomless Mimosas

What's everyone's favorite meal? Brunch. The weekend delight that lasts into the early afternoon, allowing you to sleep in and enjoy a *real* breakfast, rather than a protein bar on your way to the office. And what goes better with a large plate of chilaquiles or a french toast pancake than mimosas? And what's even better? When they're bottomless.

We've searched around San Diego to find you the best place to get your morning drink on this weekend, and we don't think you'll be disappointed.
